Case ID: CASE-001 | Daniel Price, male, 45 | Date: 2026-10-03

The watch is a gold dress watch, engraved on the case back with 'R.P. 1974'. It belonged to my father. I would estimate its value at around \$4,800.

The man who bumped me was wearing a dark hoodie and possibly a red cap. I had two beers at dinner earlier but I was not drunk. After he ran I felt my wrist and the watch was gone. I did not see his face.

Karen's coworker Marcus had offered to look at the watch for appraisal. I do not know his last name. I am not accusing anyone, I just want to mention it.
